

# Insomnia

Craig David

I never thought that I'd fall in love, love, love, love  
But it grew from a simple crush, crush, crush, crush  
Being without you girl, I was all messed up, up, up, up  
When you walked out, said that you'd had enough-nough-nough-nough  
    Been a fool, girl I know  
    Didn't expect this is how things would go  
    Maybe in time, you'll change your mind  
    Now looking back i wish i could rewind  
    Because i can't sleep til you're next to me  
    No i can't live without you no more  
    Oh i stay up til you're next to me  
    Til this house feels like it did before  
    Feels like insomnia ah ah, Feels like insomnia ah ah  
    Feels like insomnia ah ah, Feels like insomnia ah ah  
Remember telling my boys that I'd never fall in love, love, love, love  
You used to think I'd never find a girl I could trust, trust, trust, trust  
And then you walked into my life and it was all about us, us, us, us  
But now I'm sitting here thinking I messed the whole thing up, up, up, up  
    Been a fool (fool), girl I know (know)  
    Didn't expect this is how things would go  
  
    Maybe in time (time), you'll change your mind (mind)  
    Now looking back i wish i could rewind  
    Because i can't sleep til you're next to me  
No i can't live without you no more (without you no more)  
    Oh i stay up til you're next to me (to me)  
    Til this house feels like it did before (Because it)  
    Feels like insomnia ah ah, Feels like insomnia ah ah  
    Feels like insomnia ah ah (Ah), Feels like insomnia ah ah  
    Ah, i just can't go to sleep  
    Cause it feels like I've fallen for you  
    It's getting way too deep  
    And i know that it's love because  
    I can't sleep til you're next to me  
No i can't live without you no more (without you no more)  
    Oh i stay up til you're next to me (to me)  
    Til this house feels like it did before  
    Feels like insomnia ah ah, Feels like insomnia ah ah  
    Feels like insomnia ah ah, Feels like insomnia ah ah

Feels like insomnia ah ah, Feels like insomnia ah ah  
Feels like insomnia ah ah, Feels like insomnia ah ah
