I Don't Want to Be Your Friend

Nina

I don't wanna see your face
I don't wanna hear your name
I don't want a thing just stay away, baby

don't wanna know if you're alright
or what you're doin with your life
don't wanna hear you say "just stay in touch, baby"

i'll get by just fine
and if you're goin then darlin goodbye goodbye

don't call me in the middle of the night no more
don't expect me to be there
don't think that it would be the way it was before
don't think that i care
i'm not over you yet
and i don't wanna be your friend

I forget we ever met
I forget I ever let, ever let you into this heart of mine, baby
You just gotta let me be
Gotta keep away from me
Coz all I want is just to be free from you, baby

Don't you come around and say you'll still care about me
Just go now go n

don't call me in the middle of the night no more
don't expect me to be there
don't think that it would be the way it was before
don't think that i care
i'm not over you yet
and i don't wanna be your friend

You take it so casually
and baby it?s killing me yeah

goodbye goodbye

don't call me in the middle of the night no more
don't expect me to be there
don't think that it would be the way it was before (no,baby)
don't call me in the middle of the night no more
I'm not over you yet
and i don't wanna be your friend
don't call me
don't come around
i don't wanna be your friend
