

Bring It On (reprise)

Seal

Bring it on
At first I didn't have the will to carry on
Illusions in my mind
Like that picture when you feel you can't go on Like you've been left behind
Life goes on, now
Take me to that funky place where you and I were born.
Carry on, now Psychedlic tendencies of love will bring it on
Bring it on
Bring it on, Bring it on
Don't wait until tomorrow Bring it on
Bring it on
Bring it on
Give me something for the dream that I am in You know I love the way you save me
A broken pawn,
I depended on.
Was only life, I was feeling It goes on, now
Take me to that funky place where you and I were born
Carry on, now
Ain't no reason you should feel for shorn, Unconditioned love will bring it on
Bring it on
Bring it on
Don't wait until tomorrow Wait until tomorrow
Bring it on
Bring it on...
Bring it on... Unconditioned love will bring it on
So what lies under.
Is your kingdom come?
Chase it way, Down low.
It's only life.
Don't wait until tomorrow.
Don't wait until tomorrow. Don't wait until tomorrow.
Don't wait until,
Wait until tomorrow.
Bring it on, bring it on bring it on Bring it on
