Anxiety

Ladyhawke

I take a pill to help me through the day
I stay inside until I feel okayI've always been so cautious
But I'm sick of feeling nauseous
It's not that I am losing
This wall of my own choosingTake me on a ride
Show me how to hide the voice in my head
Meet me on the road, tell me all you know
I'm here on my ownTake me on a ride
Show me how to hide the voice in my head
You've got away with my anxiety
It's yours to take backI walk alone, I stumble to the beat
My stack of drums are always on repeat
You never win when losing is a game
Inside your head theres no one else to blameI've always been so cautious
But I'm sick of feeling nauseous
It's not that I am losing
This wall of my own choosingTake me on a ride
Show me how to hide the voice in my head
Meet me on the road, tell me all you know
I'm here on my ownTake me on a ride
Show me how to hide the voice in my head
You've got away with my anxiety
It's yours to take backTake me on a ride
Show me how to hide the voice in my head
Meet me on the road, tell me all you know
I'm here on my ownTake me on a ride
Show me how to hide the voice in my head
You've got away with my anxiety
It's yours to take back
