

# Total Disaster

## Destruction

I was born in a dark winter night  
Thunder and lightning greeted me  
Now it's the time to begin to fight  
Kingdom of heaven, I can't see  
My home is the bloody hell  
At the place where Satan rules  
The world is now like a big shell  
The fire of hell will destroy the fools  
I can never trust the virgin preacher  
I can never believe in Jesus Christ  
It's all right 'coz Satan is my teacher  
People hidden them when we arised  
I command and you get down on your knees  
We sacrifice infants on Satan's order  
Come taste blood, our living grease  
Headless bodies found, one is your daughter
