Just Like That

Tarkan

I don't wanna be
Just a boyfriend another boyfriend
That you're gonna forget
Baby just like that
I don't wanna be...Sometimes you look the wrong way
Do you think you'd find love after one night
You try but it's just the same
And it's just not enough after one highYou don't even know his name
You wanna have your way
I can see you caming off the rails
And I can tell you one thing
You don`t even know what you want
Now this is where it all goes wrong
I can see you're gonna come undone
And baby I know one thingI don't wanna be
Just a boyfriend another boyfriend
Taht you're gonna forget
Baby just like that
I don't wanna be
Just a girlfriend another girlfriend
That I'm gonna forget
Baby just like thatYou deny, you keep up the game
But I know you are so lost and you can't hide
Cause I, I see we're the same
And I know what it costs after one nightYou don't even know his name
You wanna have your way
I can see you caming off the rails
And I can tell you one thing
You don`t even know what you want
Now this is where it all goes wrong
I can see you're gonna come undone
And baby I know one thingI don't wanna be
Just a boyfriend another boyfriend
Taht you're gonna forget
Baby just like that
I don't wanna be
Just a girlfriend another girlfriend
That I'm gonna forget
Baby just like thatUsed to be the one

That never waited for
6 o'clock to come
I, I was out the door
Before she knew my name
My number or my game
I knew I was done
But that's that's before I met youI want it, I want it, I want it
I want your love
I want it, I want it, I want it
I want your loveI don't wanna be
Just a boyfriend another boyfriend
Taht you're gonna forget
Baby just like that
I don't wanna be
Just a girlfriend another girlfriend
That I'm gonna forget
Baby just like that
