

Die Laughing

Therapy?

Gimme something to breath, give me a reason to live

Close your eyes and see what you have insideI think I've gone insane, I can't remember my own name

I think I've gone insaneAnother dream has gone [unverified]

And your friends just tell you lies

Then you realize you gonna die anywayI think I've gone insane, I can't remember my own name

I think I've gone insane, I can't remember my own name

I think I've gone insane, I can't remember my own name

I think I've gone insaneLost in a world without reality, I'm frightened to move

I'm frightened to speak and I will kill for a good nights sleep

I'm feeling, I'm feeling dead, dead, dead, deadI think I've gone insane, I can't remember my own name

I think I've gone insane, I can't remember my own name

I think I've gone insane, I can't remember my own name

I think I've gone insane, I can't remember, I can't remember

I can't remember, I can't remember
