

Tonight And The Rest Of My Life

[Nina Gordon](#)

Down to the earth I fell
With dripping wings,
Heavy things won't fly
And the sky might catch on fire
And burn the axis of the world
That's why
I prefer a sunless sky
To the glittering and stinging in my eye
Oh I feel so light
This is all I wanna feel tonight
Oh I feel so light
Tonight and the rest of my life
Gleaming in the darksea
I'm as light as air
Floating there breathlessly

When the dream dissolves I open up my eyes
I realize that
Everything is shoreless sea
Weightlessness is passing over me
Oh I feel so light
This is all I wanna feel tonight
Oh I feel so light
Tonight and the rest of my life
Everything is waves and stars
The universe is resting in my arms
I feel so light
This is all I wanna feel tonight
I feel so light
Tonight and the rest of my life
