Sorry Baby

Minnie Driver

I wish you everything good
Its no less than you deserve
I wish I could fake with you all
I give you my loveSorry baby, sorry baby
Sorry baby, Im sorry baby, I miss you nowYou grow like a tree in my life
Yeah, but Im like a vine
I cant let you carry my weight anymore
This baby is mineSorry baby, sorry baby
Sorry baby, Im sorry baby, I miss you nowYou are a thousand miles away
And I cant come find you anymore, anymoreIve got a ghost in my head
Yeah, hes a bad man
Some kind of lingering day
Oh, Ill pay what I canSorry baby, sorry baby
Sorry baby, Im sorry baby
Sorry baby, sorry baby
Sorry baby, Im sorry baby, Im sorry nowI love you now
Yeah, I love you now
