

# As Long As I Am Here (Cafe d'Afrique Mix)

## Prime Circle

I find that I am shaking,  
From my head down to my feet,  
My hands are sweating so bad  
And I can barely speak.  
Read between the lines here  
Dunno what to think,  
Its a guessing game Was it the face?  
Was it the moves?  
Was it the way that she just knew me?  
Was it the meaning behind every smile  
I Try to walk, but cant leave  
Her eyes, they pierce right through me  
But I dont care  
As long as I am here Chorus I cant move cos Im under her spell  
Cant breath, as a side-effect from this  
And I know that this will be, the ends of me  
I cant move cos Im under her spell  
Cant breath, as a side-effect from this  
And I dont care,  
As long as I am here My heads a mess  
But at the time clearer,  
And Im feeling so content  
But unsure,  
Reaching out, reaching in,  
Wish I knew what you were dreaming,  
And I never want to ever let this go. Yeah  
Chorus
