Silver Screen Romance

Good Charlotte

Oh, in your eyes I see everything in black and white
And the pictures of our perfect life
Here by your side you make me feel so young again
And I wanna live forever
You're all dressed up and you're ready to go for a ride
Turning heads in your brand new dress
With your name tattooed on the side of my neck
I want everyone to know
You're my Bette Davis, I'm your Carrie Grant
Let's make love all night, forget about the probation
The big depressions over, let's have a drink to them
We'll stay young forever, living in our silver screen romance
Oh, the nights were cold without you
Hanging on my arm, it's so good to be home
And now the war is over we never have to say goodbye
We can stay like this forever
You're all dressed up and you're ready to go for a ride

Turning heads in your brand new dress
With your name tattooed on the side of my neck
I want everyone to know
You're my Bette Davis, I'm your Carrie Grant
Let's make love all night, forget about the probation
The big depressions over, let's have a drink to them
We'll stay young forever, living in our silver screen romance
We'll stay young forever, we'll stay young forever
We'll stay young forever
Say that you will stay with me forever, we will live this dream
You'll be Bette Davis, I'll be Carrie Grant
Let's make love all night, forget about the probation
The big depressions over, let's have a drink to them
We'll stay young forever, living in our silver screen romance
Let's stay young forever, living in our silver screen romance
We'll stay young forever, living in our silver screen romance
