

The Time Has Come

Roger McGuinn

You know, baby
Since you took your love away
My heart's been stallin'
Kick the wall in, night and day Yeah, I've been sad
I've been down
I've been so to blame Baby, how was I to know
I burned our bridges down
But I know the time has come
To turn it back around The time has come
For pickin' up the pieces
The time has come, hold on tight
Baby, don't you know
The time has come You are my eyes
And the vision in my life
You give me strength
You're the edge on my knife Yeah, I was tired
I was torn
I was so insane Baby, how was I to know
I burned our bridges down
But I know the time has come
To turn it back around The time has come
For pickin' up the pieces
The time has come, hold on tight
Baby, don't you know The time has come to talk for hours
Underneath the silver skies
Baby, love me 'til
The early mornin' light Yeah, I was tired
I was torn
I was so insane Baby, how was I to know
I burned our bridges down
But I know the time has come
To turn it back around The time has come
For pickin' up the pieces
The time has come, hold on tight
Baby, don't you know
The time has come Yeah, yeah, the time has come
Yeah, yeah, the time has come
