

# Lucky Man (feat. Charles Pettigrew)

[Dave Koz](#)

You, standing there, unaware  
I look at you and I understand  
That I am such a lucky man You, slowly turn, slowly smile  
And it hits me so hard, once again  
I am such a lucky man Sometimes it's all so clear  
There's a reason you are here with me  
Life has its ups and downs  
But I'll get through  
If I can stay with you forever I look in your eyes and I understand  
I am such a lucky man There's a reason you are here with me  
I know I'll get through  
If I can stay with you forever I know I don't tell you enough  
But It's the way that I feel I look at you and I understand  
That I am such a lucky man Who could have planned  
That I would be such a lucky man
