

# Serenade in Blue

## Vic Damone

When I hear that Serenade in blue  
I'm somewhere in another world, alone with you  
Sharing all the joys we used to know  
Many moons agoOnce again your face comes back to me  
Just like the theme of some forgotten melody  
In the album of my memory  
Serenade in blueIt seems like only yesterday  
The small cafe, a crowded floor  
And as we danced the night away  
I hear you say forever more  
And then the song became a sigh  
Forever more became goodbye  
Cause you remained in my heart, butTell me darling in there still a spark?  
Or only lonely ashes of the flame we knew  
Should I go on whistling in the dark,  
Serenade in blue
