

# Good Riddance (Time of Your Life)

## Green Day

Another turning point, a fork stuck in the road  
Time grabs you by the wrist, directs you where to go  
So make the best of this test, and don't ask why  
It's not a question, but a lesson learned in time  
It's something unpredictable, but in the end it's right  
I hope you had the time of your life

So take the photographs, and still-frames in your mind  
Hang it on the shelf of good health and good time  
Tattoo's of memories and dead skin on trial  
For what it's worth, it was worth all the while  
It's something unpredictable, but in the end it's right  
I hope you had the time of your life

It's something unpredictable, but in the end is right  
I hope you had the time of your life  
It's something unpredictable, but in the end is right  
I hope you had the time of your life
