If Not You

Baryshnikov

I'll admit, I can be hard to please
Now and then I disagree just to disagree
There are times, I want what I want 'cause I want it
And there are things, I don't know I have when I've got 'emBut when I look at you, I ask myself
How could there be somebody else?If not you, who
Is ever gonna make me happy
If not love, what
Is it I feel for youIf I search the world
Over under still I wonder
Who would I be looking for?
Yeah, who, if not youWhen I'm stuck and feel locked up you turn the key
You minimize all of my insecurities
You always seem to know what I need when I need it
And when I say I need only you, believe itOf all the many mysteries yet to come
I'll have solved the most important oneIf not you, who
Is ever gonna make me happy
If not love, what
Is it I feel for youIf I search the world
Over under still I wonder
Who would I be looking for?
Yeah, who, if not youThere are times I want what I want 'cause I want it
And there are things, I don't know I have when I've got 'emBut when I look at you, I ask myself
How could there be somebody elseIf not you, who
Is ever gonna make me happy
If not love, what
Is it I feel for youIf I search the world
Over under still I wonder
Who would I be looking for?
Yeah, who, if not youIf not you
If not you
If not you
Who
If not you
If not youIf not you, who
If not you
If not youIf not you
