

# New Way To Bleed

## Evanescence

Serve your twisted enemy,  
So you might earn forgiveness.  
You know your whole world is waiting,  
So why can't you speak? I feel it coming over me,  
I'm still a slave to these dreams.  
Is this the end of everything,  
Or just a new way to bleed? So go and tell all your friends  
That I'm a failure underneath  
If it makes you feel like a bigger man.  
But it's my, my heart, my life,  
That you're calling a lie.  
I've played this game before,  
And I can't take anymore! I feel it coming over me,  
I'm still a slave to these dreams.  
Is this the end of everything,  
Or just a new way to bleed? By drifting far beyond the edge  
Freedom, freedom  
Can't you feel the ground caving in?  
Freedom, give us a reason to believe again! I feel it coming over me,  
I'm still a slave to these dreams.  
Is this the end of everything,  
Or just a new way to bleed?
