

Black Metal Valentine

Califone

Sons and mothers
Red hand rise
Side door bones
Belly and limbs
Mudslide daughter
Wrung sweet wine
Nail and dime

A glasswork heart
Yolk and scotch
Mask and bed
Mudslide daughter
Sons and mothers
Orchard orchard
Mask and bed
Ice on dancers

Broken feet
Spit and shine
Black metal valentine
Mudslide daughter
Side door bones
Not for mine
Black metal valentine
Tiny wrens to take the dinner
From your teeth
Black metal valentine
