

# Don't Shoot (I'm a Man) [Polysics Remix]

## Devo

I get up every day.  
It's a miracle, I'm told.  
Somehow I live to work.  
So I hit the road.Squeeze into my hybrid car,  
Drive as fast as I can  
While I scan the rooftops.  
Yeah, I scan the rooftops.Don't shoot, I'm a man.  
So don't shoot, I'm a man.I live in every city  
All around the world.  
Sometimes its way too hot.  
Sometimes its friggin' cold.One thing's always the same,  
No matter what they say,  
There's way too many problems.  
Way, way too many problems.Don't shoot, I'm a man.  
Don't shoot, I'm a man.You wish you were swinging from the trees.  
You wish you were slicing through the breeze  
You wish you were a king or a queen.  
You wish you'd hit the lottery.But wishin' is for chumps, high hopin' is for fools.They'll hunt you down.  
They'll taze you bro for playin' with the rules.Don't shoot, I'm a man.  
Don't shoot, I'm a man.I've got a big dilemma  
To punt or go for broke  
It's got me goin' sleepless  
Well I'm about to choke  
Let me ask you something  
Answer if you can  
Think before you answer  
There is no correct answerSo don't shoot, I'm a man.  
Don't shoot, I'm a man.Don't taze me bro!  
Don't taze me bro!  
Don't taze me bro!  
Don't taze me bro!
