Drowning

Love and Theft

Been searching for something, can't seem to find
Blood on your fingers is still on my mind
And I just wish I could forgive youBeen walking for days now, nowhere to go
Chasing horizons, being alone
I don't know where I should run toLet the sunrise on me and never fade awaySo save me, I'm drowning alive and keep me from dying inside
I only wanna find my way back home but I can't make it aloneCaught in a landslide with nowhere to hide
Chasing distractions empty inside
And I'm still waiting for salvationLet the sunlight lift me and never fade awaySo save me, I'm drowning alive and keep me from dying inside
I only wanna find my way back home but I can't make it alone
No, I can't make it aloneI've got to hold on, I've got to be strong
Can't give up now, I've got to move on
I've got nothing left, so show me the way
I don't think I'm gonna last one more daySo save me, I'm drowning alive and keep me from dying inside
I only wanna find my way back home but I can't make it alone
I'll never make it alone, I'll never make it alone
