

It's Your Season

Norman Hutchins

It's your season
to be blessed
God made you a promise
You stood the test
He gonna open up a window
And pour out a blessing
It's your season
to be blessed

repeat

I'm blessed in the city
I'm blessed in the field
I'm blessed going out
I'm blessed coming in
He open the window
And pour you out a blessing
It's your season to be blessed

It's your season to be blessed
God made you a promise
you stood the test
He gonna open the window
Pour out a blessing
It's your season to be blessed

I've been through the fire
I've been through the flood
But I am standing here
Because of his blood
He open the window
And pour you out a blessing
It's your season

It's your season -to be blessed
God made you a promise
you stood the test
He open up window
Pour out a blessing

It's your season 19 times

You blessed

If you hold on

Your help is coming

Lift up your head

Brand new day

clap your hand

Blessing is here

It's on the way

Don't worry about it

Jesus is here

Your blessing is here

your deliverance

your deliverance

Hold your head up high

Blessing on the way

miracle on the way

to be blessed

Let's praise him
