East Meets West

Warlock

Killing time
Watching signs
I'm waitin'...

See on the other side of town
I've seen the walls come tumblin' down
So I've come here to make you shakin'
Get up, get up, get up

Oh come on, come on, why don't you come onWhen East meets West There's gonna be one hell of a mess

When East meets West

There's gonna be one hell of a mess

When East meets WestThere's a finger on the trigger of a very troubled mind

Working for the love of Satan

There's no blisters on his fingers

There's no blood on his clothes

But I've seen the world that he's been makin'So get up, get up, get up, get up Oh come on, come on, come on, why don't you come onWhen East meets West

There's gonna be one hell of a mess

When East meets West

There's gonna be one hell of a mess

When East meets WestOhSo get up, get up, get up, get up

Oh come on, come on, whyWhen East meets West

There's gonna be one hell of a mess

When East meets West

There's gonna be one hell of a mess

When East meets..When East meets West

There's gonna be one hell of a mess

When East meets West

There's gonna be one hell of a mess

When East meets.. West!
