

# Rocket

## Smashing Pumpkins

Bleed in your own light, dream of your own life  
I miss me, I miss everything I'll never be, and on and on  
I torch my soul to show the world that I am pure deep inside my heart, no  
No more lies A crown of horns, an image formed deformed  
The mark I've borne, a mark of scorn to you  
Consume my love, devour my hate, only powers my escape  
The moon is out, the stars invite, I think I'll leave tonight Soon I'll find myself alone to relax and fade away  
Do you know what's coming down?  
Do you know I couldn't stay free? I shall be free, I shall be free  
I shall be free, I shall be free, free  
Free of those voices inside me I shall be free  
I shall be free
