

I Want (Album Version)

Goldfinger

Don't wanna spend my time, wishing you were here
Don't wanna spend my time alone
Don't wanna waste my life, dwelling on the past
Don't wanna lock myself at home 'Cause I want, I need, nothing less than you
I want nothing else at all
'Cause I want, I need, nothing less than you
I want nothing else at all Don't wanna make excuses, explaining it away
Just want to spend my time with you
Don't wanna walk on ice, don't wanna live on edge
'Cause on the edge, I'm looking down 'Cause I want, I need, nothing less than you
I want nothing else at all
'Cause I want, I need, nothing less than you
I want nothing else at all I want more
I want more Don't wanna spend my time, wishing you were here
Don't wanna spend my time alone 'Cause I want, I need, nothing less than you
I want nothing else at all
'Cause I want, and I need, nothing less than you
I want nothing else at all
