

Her Mind Is Gone

Professor Longhair

Her Mind Is Gone
If you got a woman
You don't understand
Don't have to call a Doctor
Give her to another Man
Chorus:
Cause her Mind is Gone
Yeah, her Mind is Gone

When a woman does your wrong, she won't do right no more
I remember when I first got married
I tried to settle down
but the woman I took for my wife
took me for a clown
Chorus: I bought her rubies and diamonds
I even bought her a house
We lasted only 2 weeks

Then she through me out
Chorus: Lead
Sometime she thinks she well
Sometime she thinks she won't
On the times she should
That's the time she won't
Chorus: So now you've heard my story
I ain't going to say no more
If you got a woman like mine, then
Down the road you go
