Not That Kind Of Girl

Die Happy

Shot me down and I'm falling
And in my head it is calling
You can be whatever you want to be, baby
I hide, you care for me
And you always say that you would see
Angels in my eyes
And I can believeSo what you want to say with your words
That I'm precious
And that I am something you can't buy
You can do whatever you want to do, sugar
When you mentioned heaven's bride
Oh you came to me to say:
"Don't leave me alone!,
Not this way!"You are praying for the show
Take me now, then go
Don't forget what I amDancing in the spotlight
Twisting, turning all night
I don't really care
What you want to do with me
Standing in the moonlight
Waiting, walking all night
I don't want to know
What you want to do with me
'Cause I am what I amOn your knees, you are begging
All I need is your money
You can say whatever you want to say, honey
I had dreams when I was young
Now I prefer just to survive
Don't bore me again
It's my lifeYou are praying for the show
Please yourself and go
'Cause I am what I amI'm not that kind of girl
Look at me
I am what I amI am never gonna go your way
You are never gonna make me stay
