

Cuckoo for Caca

Faith No More

It's cold and it's
Smooth and it's
A hard shade of white
And everybody needs to lick the surface clean
And it never tastes betterwhite blooms to white and freezes white again
close it before something crawls in
commit it, leave it, get away - we always
drop our good sideBeing good gets you stuff
Being stuff gets you good
Good stuf gets you being
And wheelin' and dealin' and squealin'
Shit lives forever
'Cause Shit lives foreverthey have no legs, but chase us anyway
wipe the shadow of your best friend
gave birth to something we don't want to be
we drop our good sideYou can't kill itEat is just as deep as you can fuck it
So cough it up or go down
And there's only one thing that separates
A man...Shit lives foreverwe'll retire with a turd on our lips
under a pair of knowing eyes
I'm gonna take a few down with me
and drop my good sideYou can't kill itTake it from our drummer, 'puff'
Being good it gets you stuff
