

# Bobby Sox Baby (Williams)

## T-Bone Walker

Bobby sox baby, I've got to let you go  
Bobby sox baby, I've got to let you go  
You've got a head full of nothin'  
But stage, screen an radio You chase autographs every night  
You write fan mail through the day  
You keep your great big head in the scrapbook  
Yes and you throw the cookbook away Bobby sox baby, I've got to let you go  
You've got a head full of nothin'  
But stage, screen an radio Now you treat me like a stranger  
You don't have a word to say  
I ask you if you love me  
You say, "What would Frankie, say?"
