

Rise (Glee Cast Version)

Glee Cast

Mason (with Jane):

Have you ever felt like you woke up
(On the wrong side of your heart)
Has it ever felt like it's broken
(Like the world tore it apart)

Super Gay Warbler:

Have you felt so weak,
You could hardly stand

Super Gay Warbler with Jane:

Like if you ever fell
You could never tell
If you'd ever get back up again

Madison with Kitty:

I know it's hard to do,
But I think you can make it,
Cause I know we can take it,

Head Warbler with Kitty and Madison:

Baby we will...

Head Warbler and Kitty with New Directions:

Rise

We are young we are the dreamers we will fly
When the world will not believe us,
We will rise above the ashes
Before this whole life passes us by
You and I, we will rise

Roderick (with Jane):

It's difficult to try to stay awake
When you (walk a tired path)
And there are moments when it's easier to take
(The road that leads you back)

Head Warbler:

I'm not the first to say it,
And I won't be the last,

But I want to remind you,
I'm there it's time to hold on
You're stronger than that,

Kitty (with Spencer):
But when it gets too tough to
Find my (way home),
And I'm stupid enough to
Try and find it (alone),

Spencer (Kitty):
When it feels like there is nothing I can do
(There's nothing I can do)
But give up,

Spencer (with Kitty):
(I look up, thank God I have you to tell me,)
I know it's hard to do,
But I think you can make it,

Spencer with Kitty:
Cause I know we can take it,
Yeah baby we will,

Head Warbler and Kitty with New Directions:
Rise
We are young we are the dreamers we will fly
When the world will not believe us,
We will rise above the ashes
Before this whole life passes us by
You and I, we will rise

Head Warbler:
Oooooo,
Oooo,
Oh

Head Warbler and Jane:
La la la la la
La la la

Jane:
Oh we will...
We will rise!

Head Warbler and Kitty with New Directions (Jane):

Rise

We are young we are the dreamers (We must!) we will fly
When the world will not believe us, (Woah oh oh!)
We will rise above the ashes
Before this whole life passes us by
You and I, we will

Rise

We are young (Yeah, yeah, yeah yeah yeah)
We are the dreamers we will fly
When the world will not believe us,
(Woah yeah!)
We will rise above the ashes
Before this whole life passes us by
You and I

Head Warbler and Jane:

We will rise

Kitty with New Directions (Head Warbler and Jane):

We will rise
(Yeah yeah yeah yeah yeah)
We will rise

Jane:

We will rise!

Kitty with New Directions (Head Warbler):

We will rise above the ashes
(We will rise above!)
Before this whole life passes us by
(Oh yeah!)

Head Warbler, Jane, and Kitty with New Directions:

You and I, we will rise
