

# Unconditional

Yolanda Adams

Unconditional, unconditional  
Unconditional, unconditional Who else would let someone nail them to a cross  
For the sake of others so they would not be lost  
No one, no one will go that far for us Who else would let someone get away with so much wrong  
But still extend them grace  
No one, no one have so much love for us The kind of love He shows is unconditional  
His love don't come and go it's unconditional Who else but Him, He's a constant friend  
Even when others turn their backs against  
No one, oh no one is always there for us  
So what kind of love The kind of love He shows is unconditional  
His love don't come and go it's unconditional The kind of love He shows is unconditional  
His love don't come and go it's unconditional So even when your closest friends and family give up on you  
There's not a day when you can't depend on Him The kind of love He shows is unconditional  
His love don't come and go it's unconditional The kind of love He shows is unconditional  
His love don't come and go it's unconditional The kind of love He shows is unconditional  
His love don't come and go it's unconditional
