

I Know You Rider (Live In Paris 1972)

Grateful Dead

I know you, rider, gonna miss me when I'm gone
I know you, rider, gonna miss me when I'm gone
Gonna miss your baby, from rolling in your arms
Laid down last night, Lord, I could not take my rest
Laid down last night, Lord, I could not take my rest
My mind was wandering like the wild geese in the west
The sun will shine in my back door someday
The sun will shine in my back door someday
March winds will blow all my troubles away
I wish I was a headlight, on a north bound train
I wish I was a headlight, on a north bound train
I'd shine my light through cool Colorado rain
I know you, rider, gonna miss me when I'm gone
I know you, rider, gonna miss me when I'm gone
Gonna miss your baby, from rolling in your arms
I know you, rider, gonna miss me when I'm gone, gone, gone
I know you, rider, gonna miss me when I'm gone, gone, gone
Gonna miss your baby, from rolling in your arms
