

Lost on the Stoop

[Daniel Powter](#)

Shed off and peal
I'm in no shape or form
You're just a reject coming down for more
When two are receivin', you know I could be there
Soon you're laughing, soon you're laughing my way You died and I come you
I need any darkness
Soon you're laughing, soon you're laughing my way
You always are in your darkness there are not I will be darkness
Soon you're laughing, soon you're laughing your way When you lost the understood
When you fool all down, yeah
You could believe just down
But, I've always you fool
You lost yourself, yeah
You could believe you list stand down
Now I can find you what you know this plans
Now I can find you when you see other man
Yeah, I like destruction you're washing all down
Yeah, I like destruction talking me wrong When two are receivin', you know I could be there
Soon you're laughing, soon you're laughing your way. You died When you lost the understood
When you like all down, yeah
You could believe just down
But, I've always you fool
You get I lost the understood
You could believe you list stand down
Now I can find you what you other plans
Now I can find you when you see other man
Yeah, I like destruction you're washing all down
Yeah, I like destruction talking me wrong When you lost the understood
When you like all down, yeah
You could believe just down
But, I've always you fool
You get I lost the understood, yeah
You think you list stand down
