Satans Rejects

Demented Are Go!

Satan's rejects
Nobody's slave nobody's fool
Nobody's tool nobody's judge
Kicked out of Hell 'cause they were too bad
Kicked out of Hell 'cause they were too good

Fall down a cliff
Impale your heart
Sell your soul
Do anything that you want

Satan's rejects, slave to none

Endless pathways depths unknown
Now we're dead and free to roam
Kicked out of hell 'cause they were too bad
Kicked out of hell 'cause they were too good

Fall down a cliff
Impale your heart
Sell your soul
DDo anything that you want

Black riders in the night
Darkness hides them safe tonight
From this pathway they shall roam
Now they're dead and all alone

Fall down a cliff
Impale your heart
Sell your soul
Do anything that you want

Demon dungeon encrusted claw
Search the silence search the moor
Kicked out of hell 'cause they were too bad
Kicked out of hell 'cause they were too good

Fall down a cliff
Impale your heart

Sell your soul
Do anything that you want
