Dragontown

Alice Cooper

Well here you are
Lying bleeding on a grimy street
See the broken glass
Sparkling darkly as it cuts your feet
Smell the rotting stench
The rancid odor of old Cantonese
Feel the toxic flames all around you
You can hardly breathe come with me
Come on, I've got something to show you
Come on, you thought that it was over
Come on, you're really gonna love this
Come on, come on, come on, come on, come on
We can dig you a home deep in the ground
Bury your soul down in Dragontown
We'll be lower than low spiraling down
Far as you wanna go down in Dragontown
Open any door
Remember everyone you meet before
Oh there's a wicked young man
Cooking slowly in a frying pan
And a family of bones
Hung back together, sleeping all alone
Then there's Alice dear
And all the little things that got in here, now you're here
Come on, I've got something to show you
Come on, you thought that it was over
Come on, you're really gonna love this
Come on, come on, come on, come on, come on
We can dig you a home deep in the ground
Bury your soul down in Dragontown
We'll be lower than low spiraling down
Far as you wanna go down in Dragontown
We can dig you a home deep in the ground
Bury your soul down in Dragontown
We'll be lower than low spiraling down
Far as you wanna go down in Dragontown
We can dig you a home deep in the ground
Bury your soul down in Dragontown
We'll be lower than low spiraling down

Far as you wanna go down in Dragontown
