Invisible

LINKIN PARK

I've got an aching head
Echoes and buzzing noises
I know the words we said
But wish I could've turned our voices down
This is not black and white
Only organize confusion
I'm just trying to get it right
And in spite of all I should've doneI was not mad at you
I was not trying to tear you down
The words that I could've used
I was too scared to say out loud
If I cannot break your fall
I'll pick you up right off the ground
If you felt invisible, I won't let you feel that nowInvisible
Invisible
Invisible
InvisibleYou didn't get your way
And it's an empty feeling
You've got a lot to say
And you just want to know you're being hurt
But this is not black and white
There are no clear solutions
I'm just trying to get it right
And in spite of all I should've doneI was not mad at you
I was not trying to tear you down
The words that I could've used
I was too scared to say out loud
If I cannot break your fall
I'll pick you up right off the ground
If you felt invisible, I won't let you feel that nowInvisible
Invisible
Invisible
InvisibleThis is not black and white
There are no clear solutions
I'm just trying to get it right
And in spite of all I should've doneI was not mad at you
I was not trying to tear you down
The words that I could've used
I was too scared to say out loud

If I cannot break your fall
I'll pick you up right off the ground
If you felt invisible, I won't let you feel that nowInvisible
Invisible
Invisible
Invisible
Invisible
Invisible
Invisible
Invisible
