

# I Love You Always Forever

Marion

Feels like  
I'm standing in a timeless dream  
of light mists  
Of pale amber rose  
Feels like  
I'm lost in a deep cloud of heavenly scent  
touching  
Discovering you.  
Those days  
of warm rains come rushing back to me  
Miles of windless  
summer night air  
Secret moments  
shared in the heat of the afternoon  
Out of the stillness  
Soft spoken words  
Say it, say it again  
I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you  
I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you  
You've got  
the most unbelievable blue eyes  
I've ever seen  
You've got  
me almost melting away  
As we lay there  
under blue sky with pure white stars  
Exotic sweetness  
a magical time  
Say it, say it, say it again  
I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you

I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you  
Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always  
And everywhere and every  
Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always  
And everywhere and every  
Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always  
And everywhere and every  
Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always  
And everywhere and everything  
Say it, say it again

I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you  
I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you  
I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you
