

To My Mama

Bow Wow

Yeah, this song right here is dedicated to that one special woman in my life, right

(Thank you for loving me) My Mother

(And thank you for holding me down) Theresa

(I know that you care for me) Rene

(Cause you've always been around) Sing it

Ma (Thank you for loving me) This song right here is for you

(I want to thank you for holding me down) All the love you showed me

(I know that you care for me) I'ma give it right back to you

Let's go

[Chorus: x2]

All of the things you do (yeah)

I can never repay you (uh huh)

I can't imagine life without you

My mama, my roll dog

Anything you need from me, Ma, you know that it's yours

You're the only woman in my life that I adore

I remember back in the days when we couldn't get much

TV's wasn't covered and the floor was tore up

How you juggle three jobs just to take care of me

Yo baby boy, Bow Weezy

Late night shifts, daytime to the AM

Comin' home late, there was my best friend

My soul mate, yes, my big brother

The one who tucked me in, put me under the covers

When I had nightmares, you came right away

Read me bedtime stories and chased them away

My beautiful black queen, my everything

The one that keeps this heart pumpin' everyday

I'm a young man now

But my plan is to show you that I really understand

Mom, I love you

[Chorus: x2]

Look at you now

You sittin' up on top of the world

Got a X5 and a Benz just to swerve

Gotcha dream house now

Sittin' on big land, big money, big jewels, big game plan
You told me one day I'ma make it this far
Have God in my life and I'm goin' be the star
I did it, well, look where we at
Don't have to worry 'bout past due bills and all that
Don't have to worry 'bout them bill collectors all on yo back
Don't worry
If you ain't got it, I got your back
Don't even worry 'bout you working 3 jobs real late
Don't even have to worry when you have no food to put on the plate
Back then, I didn't understand but I do now
I look back and I reminisce on how it all went down
Went from bad to good, from frowns to smiles
Mom, I really love you, understand now
I love you

[Chorus: x2]

Thank you for loving me
Say what now
Thank you for holding me down
Say what now
I know that you care for me
Sing that
Cause you've always been around
Kick it back and
Thank you for loving me
Say what now
Thank you for holding me down
Say what now
I know that you care for me
Say what
Cause you've always been around
Drop the beat back

Yo (yeah)

This song right here is dedicated to my mother (and oh)
And all the mothers out there (oh oh ooh)
Every mother (yeah)
All the single mothers out there workin' hard (oh oh yeah)
Just keep ya head up (oh)
And we goin' do it like this for all the mothers now (oh oh oh ooh)
All the mothers rock rock rock on (ooh)
All the mothers rock rock rock on (ooh)
If you wit me, rock rock rock on (ooh)

(just keep ya, just keep ya)
Just keep ya head up (just keep ya)
rock on (just keep ya head up)
rock on (just keep ya head up)
Uh, all my single mothers, rock on (yeah)
All my mothers come on, uh (yeah yeah)

All of the things you do (all the things you do)
I can never repay you (that's why I love you)
I can't imagine life without you (that's why I need you)
My mama, my roll dog (that's why I need you, yeah)
All of the things you do (all the things you do)
I can never repay you (I can never replace you)
I can't imagine life without you
I can't imagine my life without the one I love
Oh no yeah yeah yeah
Yeah yeah oh oh oh oh no
I love you mama
Said I love you mama
Yeah yeah
