Big Fun

Kool & The Gang

Have some fun, have some fun

Have some fun, have some funBurn it up

Let's burn up the night, baby, let's do it together, yeah

Let's burn up the night, let's have big fun, burn it upThe world is out, it's all over town

Your work is done, time for some fun

Let's get it on, the feeling is right

Come on, baby, let's do it tonight, I sayHave some fun, have some fun

Have some fun, have some fun

Have some fun, have some fun

Have some fun, have some funLet's have some fun, baby

Let's have big fun tonight

Big fun tonight, let's have big funLet's burn up the night, baby, let's do it together

We're gonna, we're gonna do it together

Let's burn up the night, let's have big fun

Big fun, burn it up, burn it up

[Incomprehensible]Burn it up

Let's burn up the night, baby, let's do it together
