

Electric Boogaloo

Yerba Buena

Jodie: Can we Find a way, We can Find away X4

Wiley: Report to the dance floor honey, you n your girls got moves look at u u got back groove, n i could do a little 1 step 2, i don't stand at the bar i pass through, you've heard I'm a star its true I've bin doin it since electric boogalooed, maximum vibes i wanna get too.

Jodie: Whoa Whoa Who Yeh

We can help each other,

Can we Find a way, We can Find away

We can trust in oneanother

Can we Find a way, We can Find away

Wiley: Report to the dance floor honey, you n your girls got moves look at u u got back groove, n i could do a little 1 step 2, i don't stand at the bar i pass through, you've heard I'm a star its true I've bin doin it since electric boogalooed, maximum vibes i wanna get too.

Jodie: We can help each other,

Can we Find a way, We can Find away

We can trust in oneanother

Can we Find a way, We can Find away

Wiley (Jodie singing Can we Find a wa... in Back ground):

N' i could do a little 1 step 2, i don't stand at the bar i pass through, you've heard I'm a star its true I've bin doin it since electric boogalooed.

J2K: He does the boogaloo but mine is electric style, you can light up like electric lights, you can pay alike with symetric Right! condem my love for electric life, he sed you can have a hectic night, bright lights shining on the exit sign, now this is my time 2 go, so let me no if ya tryin to roll, lets go!

Jodie: We can help each other,

Can we Find a way, We can Find away

We can trust in oneanother

Can we Find a way, We can Find away X3

Can we Find a way X2

We can Find away
