

Heidi Is A Headcase

Ramones

Headcase baby, she's a cool kind of crazy
Wild and she's willing into early Dylan
She drives me crazy, oh yeah, ooh, ooh, yeah When I look into her big brown eyes
I'm so glad to know she's mine
My little headcase, yeah ooh, ooh, yeah
My little headcase, yeah, ooh, ooh, yeah Heidi is a headcase, a rebel and a rouser
Cranks up her Rickenbacker, blasts away for hours
What's she doin' now on the escalator
Snorting up some speed on the picture of or Stiv Bators What 'cha doin'? When I look into her big brown eyes
I'm so glad to know she's mine
My little headcase, yeah, ooh, ooh, yeah
My little headcase, yeah, ooh, ooh, yeah Ooh, baby, baby, whatever you do now don't ever go away
Ooh, baby, baby, whatever you do now don't ever go astray
Don't you ever go away, ooh, ooh, yeah
Don't you ever go away, ooh, ooh, yeah Heidi is a headcase
Heidi is a headcase
Heidi is a headcase
Heidi is a headcase
