

# Where My Girls At

702

See he's my property and any girl that touch  
I might just call your bluff 'cause I don't give a, whoo  
Are you to call my cell, oh, I'ma wish you well  
'Cause any girl that tried has fell Where my girls at, from the front to back  
Well is you feelin' that, well put one hand up  
Can you repeat that, tryin' to take my man  
See I don't need that, so don't play yourself Where my girls at, from the front to back  
Well is you feelin' that, well put one hand up  
Can you repeat that, tryin' to take my man  
See I don't need that Hey, hey, hey Don't you violate me 'cause I'ma make you hate me  
If you decide to mess with mine  
Chop you down to size, make you realize  
You done messed up this time Where my girls at, from the front to back  
Well is you feelin' that, well put one hand up  
Can you repeat that, tryin' to take my man  
See I don't need that, so don't play yourself Where my girls at, from the front to back  
Well is you feelin' that, well put one hand up  
Can you repeat that, tryin' to take my man  
See I don't need that You must learn the rules  
Don't come close to anything that belongs to me  
He is my, my property  
So don't you see Where my girls at, from the front to back  
Well is you feelin' that, well put one hand up  
Can you repeat that, tryin' to take my man  
See I don't need that, so don't play yourself Where my girls at, from the front to back  
Well is you feelin' that, well put one hand up  
Can you repeat that, tryin' to take my man  
See I don't need that Where my girls at, from the front to back  
Well is you feelin' that, well put one hand up  
Can you repeat that, tryin' to take my man  
See I don't need that, so don't play yourself Where my girls at, from the front to back  
Well is you feelin' that, well put one hand up  
Can you repeat that, tryin' to take my man  
See I don't need that
