Good Girl, Bad Boy

Junior Senior

I've got to, got to, got to catch my breath
I've got to, got to, got to catch my breath
I've got to, got to, got to catch my breath
I've got to, got to catch my breathBaby, baby, baby, whoo it's true
I wanna, wanna dance with you woohoo
We're dancing, dancing, dancing slow, too close
I'd kiss you if I could like a bad boy shouldWe're getting closer and closer
And warmer and warmer
My heart is racing and pacing
Your dad is gonna kill meGood girl
I'm a such a bad boy
You used to be a good girl
But then you met a bad boy
YeahYou know I've got to catch my
I've got to catch my breathI've got to, got to, got to catch my breath
I've got to, got to, got to catch my breath
I've got to, got to, got to catch my breath
I've got to, got to catch my breathPumping, pumping, pumping up each other
We are working, working, working off a sweat
I'm looking, looking, looking for your heartbeat
Oooh just understand I wanna be your manWe're getting closer and closer
And warmer and warmer

Your mom says I'm a bad boy
Because of my long hairGot to catch my, got to catch my breath
I've got to, got to, got to, I've got toWe're getting closer and closer
And warmer and warmer
My heart is racing and pacing
Your dad is gonna kill meGood girl

You're daddy's little good girl
Your mom says I'm a bad boyYeah, you used to be a good girl
But then you met a bad boy
