

Restless

Brooks Williams

God did not lead me here to abandon me
He did not leave me to drown in my own tears
 The day is darker now I can barley see
The road is longer and stones hurt my feet
 I have sung my songs of mirth
 I have hung my head and cried
 You have been ever faithful I'm the one who left your side
All the days I have wasted chasing down the winds of empty praise
And all the times I have lost searching for riches in abandoned mines
 (Chorus)
 My heart is restless it finds no peace
 I was made for you
 I have bargained with my future
 And I have wrestled with my past
Like a drunk man trying to be sober every day I face the empty glass
 (Chorus)
 My heart is restless it finds no peace
 I was made for you
 I am restless oh so restless
 Until I come to rest in you
Some days my faith is a mighty river
Some days my faith is a barren land
 Oh Lord please tell me why
 Maybe then I would understand
 (Chorus)
 My heart is restless it finds no peace
 My heart is restless it finds no peace
 I was made for you
