

F the CC

Steve Earle

I used to listen to the radio
I don't guess they're listenin' to me no more
And they talk too much but that's okay
I don't understand a single word they say
They piss and moan about the immigrants
Don't say nothin' about the President
A democracy don't work that way
I can say anything I wanna say
So fuck the F.C.C.
Fuck the F.B.I.
Fuck the C.I.A.
Livin' in the motherfuckin' U.S.A.
People tell me that I'm paranoid
I admit I'm gettin' pretty nervous, boy
It just gets tougher everyday
Sit around and watch it while it slips away
Been called a traitor and a patriot
Call me anything you want to but
Just don't forget your history
Dirty Lenny died so we could all be free
So fuck the F.C.C.
Fuck the F.B.I.
Fuck the C.I.A.
Livin' in the motherfuckin' U.S.A.
F U C K
F U C K
Fuck the F.C.C.
Fuck the F.B.I.
Fuck the C.I.A.
Livin' in the motherfuckin'
Fuck the F.C.C.
Fuck the F.B.I.
Fuck the C.I.A.
Livin' in the motherfuckin'
Fuck the F.C.C.
Fuck the F.B.I.
Fuck the C.I.A.
Livin' in the motherfuckin' U.S.A.
