

Love Alone

Charlotte Church

Sometimes I need to feel
I'm not as whole occupied by this, but indeed in vein -
I can't part my mind
Uuh, it's full too full and it tells
I can't hide and it runs deep Don't wanna be alone
Don't wanna be alone
but you can't get there by LOVE ALONE
Ooh ooh oh YOU have the power of ME
Uuh, there are things I do I know you feel crazy
Invade ME! Drilling into my skull
Hold me up and get me one of your HD
Don't wanna be alone
Wie'll never feel alone
[..]
But you can't get there by LOVE ALONE
