Your Love

Thoja

YOUR LOVE - Thoja (Pst. Oghenethoja Umuteme)

Oh Lord, when I look at the hearts of men
When I look at the wickedness of men
I just fell like dropping this call
But when I remember your love,
I canâ€™t but just love you
And do what youâ€™ve called me to do

When I see the sun shining in the sky,
I just want to say â€˜â€™thank you Lordâ€™â€™,
When I see the moon shining right in the sky
I just want to say thank you Lord
Your love is deep inside my heart,
For everything youâ€™ve done seen Lord,
I want to bless your holy name,
Take my praise from lips Lord,
My heart is bleeding for your love,
Canâ€™t imagine what youâ€™ve done
Save me from filthiness of sin,
Am here to say Lord I love

Chorus x 2

Your love x3
Is deep right inside my heart

There is no one like you, there is no king as you Lord
Youâ€™re my prince of peace and my Lord of Lords
I give you all my praise this day
For making fell what I need to know
The love in my heart is making me sing this way, oh Lord
I can walk, I can move now
I can smile and be happy for everything youâ€™ve done for me
I wanna sing your love
I can walk, I can move now
I can smile and be happy, for everything youâ€™ve done for me,
I just wanna sing Lord I love you

CHORUS X2

Adlib
Receive our praise,
Receive our worship
Even as the musical instrument,
Prophecy unto your glorious name
Receive this praise from our lips

CHORUS X4
