soopafly

Chicosci

i cant hear you asking why
you say your right
soopaflycheck it out, its the soopafly
no you never hear him asking why
see him doing the nightly grind
thats the real power of 69
all you jumping ladies better be looking at your best
you better not be wearing that goddamn dress
shut up
and dont asky why youll be getting butt naked with the soopaflystart you off with a cold hard drink
never mind the buzz you gonna feel the sting
strapped to the post say you gotsta go
cmon bitch step into my flow
now i know your gonna feel some pain
but i know your gonna go insane
so whatcha think about that?
now everybody lay on the mat.YOU ARE JAPANESE!
