Love Battery (1996 Digital Remaster)

Buzzcocks

My mad love battery - wants to charge you
My mad love battery - could maybe enlarge you
My mad love battery - fizzing at the terminals
My mad love battery - is one helluva pack of an animal
My mad love battery - has to have us both
My mad love battery - don't allow for sleep or sloth
My mad love battery - never minces words
Don't discharge flattery - so don't listen to what you've heard
I got sick electricity
On the boil for you
I got this searing love
Which burns without cue
My mad love battery - is running out of control
My mad love battery - is gonna swallow us whole
My mad love battery - never minces words
Don't discharge flattery - so don't listen to what you've heard
I got this crazy current
Gets into my underwear
And when it really connects
I come and go everywhere
My mad love battery - wants to charge you
My mad love battery - could maybe enlarge you
My mad love battery - fizzing at the terminals
My mad love battery - is one helluva pack of an animal
