

# Love Battery (1996 Digital Remaster)

## Buzzcocks

My mad love battery - wants to charge you  
My mad love battery - could maybe enlarge you  
My mad love battery - fizzing at the terminals  
My mad love battery - is one helluva pack of an animal  
My mad love battery - has to have us both  
My mad love battery - don't allow for sleep or sloth  
My mad love battery - never minces words  
Don't discharge flattery - so don't listen to what you've heard  
I got sick electricity  
On the boil for you  
I got this searing love  
Which burns without cue  
My mad love battery - is running out of control  
My mad love battery - is gonna swallow us whole  
My mad love battery - never minces words  
Don't discharge flattery - so don't listen to what you've heard  
I got this crazy current  
Gets into my underwear  
And when it really connects  
I come and go everywhere  
My mad love battery - wants to charge you  
My mad love battery - could maybe enlarge you  
My mad love battery - fizzing at the terminals  
My mad love battery - is one helluva pack of an animal
