

# Hollywood Tonight (DJ Chuckie Remix)

## Michael Jackson

Lipstick in hand  
Tahitian tanned  
in her painted on jeans...  
She dreams of fame  
She changed her name

To one that fits the movie screen She's headed for the big time, that means

She's going Hollywood  
She's going Hollywood tonight  
She's going Hollywood  
She's going Hollywood tonight  
She's going Hollywood  
She's going Hollywood tonight

It's true, that you, may never ever have that chance again

...

West bound Greyhound  
To tinsel town  
Just to pursue her movie star dreams  
She's giving hot tricks to men  
just to get in When she was taught that that's not clean  
She's headed for the big time, that means

She's going Hollywood  
She's going Hollywood tonight  
She's going Hollywood  
She's going Hollywood tonight  
She's going Hollywood  
She's going Hollywood tonight

It's true, that you, may never ever have that chance again (that chance again)

...

She gave up her life, to follow her dreams  
Left behind everything, for the movie scene  
Nothing more she could want, she was determined to follow her plan  
She wanted Hollywood, she wanted it bad

Now that she got her dream, she became a star...  
It all looked so good, but only good from afar

Imprisoned in every paparazzi's camera, every guy wished they could Now it's back to reality, for Ms.  
Hollywood
